

Winged Heart Society

'assuring future excellence'

The Winged Heart Society is a select group of Old Haileyburians and friends of Haileybury who have included Haileybury (or the Haileybury Foundation) in their Wills.

Members include distinguished Haileybury community members Tony Avery and Andrew Cummins.

A bequest to Haileybury is a wonderful way to help the School community into the future, beyond your lifetime.

By making a bequest to Haileybury, you will become a member of the Winged Heart Society.
